Mt. Washington Pediatric Hospital's Burn and Wound Clinic

Mt. Washington Pediatric Hospital's outpatient burn and wound clinic's goal is to heal a child's burns and wounds with as little pain as possible while allowing them to continue being active children.

Diagnoses seen include but are not limited to:

- Burns
- Pressure wounds
- Scars
- Orthopaedic device pin site wounds
- Pressure scars
- Dehisced incision wounds
- Residual limb wounds

Our clinicians will complete a comprehensive evaluation that will result in a treatment plan which may include prescriptions for any of the following:

- Dressings and treatments
- Custom pressure garments
- Rehabilitative services
- Home nursing
- Nutrition counseling
- Psychological services
- Laboratory studies

To schedule an appointment in
Mt. Washington Pediatric Hospital's
