1708 West Rogers Avenue  
Baltimore, MD 21209 • (410) 367-2222  
[www.mwph.org](http://www.mwph.org)

## Pediatric Neurodevelopmental Services

*Currently offered at both our Baltimore and Prince George's sites:*

Mt. Washington Pediatric Hospital offers Neurodevelopmental services for infants, toddlers, children and adolescents who have or may be at risk of having delays in any area of development including, language, behavior, motor skills and cognition. These conditions include but are not limited to:

- Developmental Delay
- Cerebral Palsy
- Motor Dysfunction
- School Learning Problems
- Speech or Language Delays
- Autism
- Attention Deficit Hyperactivity Disorder (ADHD)
- Behavioral Disorders
- Genetic Disorders
- Feeding Disorders
- NICU "Graduates"
- Former Premature Infants
- Intrauterine Drug Exposure

Our services include a comprehensive developmental evaluation by a board certified Neurodevelopmental Pediatrician and, based on findings, referrals for other on-site services.

These services may include but are not limited to:

- Neuropsychology
- Psychology
- Occupational therapy
- Physical therapy
- Speech Therapy

## Developmental Evaluation Clinic (DEC)

*Currently offered only at our Prince George's site:*

For children under 3 years of age, this clinic is headed by a multidisciplinary team of experienced pediatric professionals who conduct the evaluations and formulate an individualized care plan. The Care Team includes:

- Developmental Pediatrician
- Speech Therapist
- Pediatric Psychologist
- Physical Therapist

### To Make a Referral

Referrals may be made to Mt. Washington Pediatric Outpatient Center by a child's physician, community health nurse, therapist, teacher or parent, by calling Monday through Friday, 8:00 a.m. to 5:00 p.m. We offer two site locations: Baltimore City and Prince George's County. You can contact the Outpatient Center by calling toll free: **800-999-9442** or **410-367-2222**.
