We are pleased to offer comprehensive pulmonary evaluation and care for children with:

- Asthma and wheezing
- Bronchopulmonary dysplasia/chronic lung disease
- Pneumonias
- Chronic cough
- Trouble breathing with exercise
- Snoring and obstructive sleep apnea
- Sleep-related hypoventilation
- Pulmonary complications from neuromuscular disease
- Need for CPAP, BiPAP, oxygen or chronic ventilator support
- Airway and chest wall abnormalities

Pediatric Pulmonary Inpatient Services

We also offer a broad range of pediatric pulmonary inpatient services including ventilator weaning. Please visit our website for further information: mwph.org

To schedule an appointment please call **410-955-2035** and ask to make an appointment in the Johns Hopkins Pediatric Pulmonary Clinic at Mt. Washington Pediatric Hospital.

By Bus

The MTA bus #44 stops at West Rogers Avenue.

Transportation

A free shuttle service runs all day, Monday thru Friday between Johns Hopkins Hospital (Rutland Ave.), Mt. Washington Conference Center and Mt. Washington Pediatric Hospital (main entrance of Baltimore location) in that order. Other transportation assistance is available, but limited. Please ask your social worker for transportation information.

By Car

From Baltimore City and Points South: Take Jones Falls Expressway (I-83) north to the second Northern Parkway exit, 10B west. Make a sharp right turn immediately after crossing over I-83 onto West Rogers Avenue (the first street immediately off the exit ramp.) Go north on West Rogers Avenue; you will see the hospital on your right. Turn right at the entrance to the hospital.

From Points North and East of Baltimore: From the John F. Kennedy Highway (I-95) go south to the Baltimore Beltway (I-695 west) toward Towson. Take exit 23 and proceed south on I-83. Take the Northern Parkway west exit. Turn right onto Northern Parkway and take an immediate right onto West Rogers Avenue. The hospital entrance is at the top of the hill on West Rogers Avenue.

Mt. Washington Pediatric Hospital: An affiliate of the University of Maryland Medical System and Johns Hopkins Medicine.

Accredited by The Joint Commission and the AASM
