

Mt. Washington Pediatric ATTENTION PATIENTS:

Shoppable Services List: 1. The list below provides estimated costs for both facility and physician/professional services. Prices posted and effective as of January 1, 2021

2.

3. We are providing you with an estimate because the actual amount of the facility and professional services may vary.

4. Financial help for your portion of bill may be available. If you need financial help, please contact our financial assistance department.

Professional fees will depend on the services that are actually provided. The fees could be higher if you require se

services during your appointment that we cannot reasonably predict today. Check with your insurance carrier or

employment benefits representative to verify your coverage. You may be responsible for one or more copays.
